

20th October 2023

Dear Parent/Carer

We are excited to announce that the Treetops Learning Community will be celebrating Multicultural Week when we return to school after the half term.

Starting on Monday 6th through to Friday 10th November, we have a fantastic line up of activities and 'Focus Days' tailored for each key stage.

Our school canteen will be offering special multicultural meals throughout the week. The menu will be emailed on 1st November 2023 and offers a taste of foods from around the globe.

On Wednesday, November 8th, we have **cultural dress day** when we encourage our students to embrace and celebrate their own and other cultures by **wearing cultural attire**. In the afternoon, we'll be showcasing these in a catwalk event.

For the past six years, we've been privileged to organise this event, and it has consistently been an enriching educational journey for both our dedicated staff and our enthusiastic students. We extend our gratitude to all the parents who make this experience possible, enabling us to share our cultures and foster unity.

Together, we work towards promoting inclusive and respectful interactions among students from diverse backgrounds.

Thank you for your support.

Yours sincerely

Ms V Churchman and Mrs J Masheder
