

19<sup>th</sup> September 2024

Dear Parent/Carer of NAME

Snowbility is an organisation that specialises in helping individuals who have a range of complex developmental, physical, psychological and mental health needs, including learning disabilities and autism to access snow sports and in particular skiing and snowboarding.

Snowbility are offering NAME the opportunity to join an 8-week ski lesson programme at Hemel Hempstead Snow Centre every Monday this term commencing on **Monday 30<sup>th</sup> September 2024**. NAME will be working on individual snow targets and will have 1:1 tuition from experienced Snowbility staff as well as support from a Treetops School staff member.

All ski clothing and equipment will be provided by Snowbility but NAME will need to wrap up warm with an extra layer of clothing so please pack some long trousers ( joggers are perfect), a warm jacket and a pair of long socks.

Please make a note that Name will need a packed lunch on these days.

Hemel Hempstead Snowbility Snow Centre is approximately a 60 minute drive from school. We will travel to and from the centre by school minibus leaving around 10:30 and return at approximately 13:45. Parents/Carers are welcome to come along and watch. Please let me know if you plan on attending on any or all of the sessions.

In order for NAME to attend this fantastic opportunity, we will require parental consent. Please tap on the link [HERE](#) and complete the short survey questionnaire.

Yours sincerely

Stacey Welfare

Head of Personal and Physical Development
