Dear Parents / Carers,

School attendance is vital to the life chances of children and young people. Being in school improves health, wellbeing and socialisation throughout the life course. The greatest benefits come from children and young people attending school regularly.

To help you decide if your child is well enough to attend school, please see link below to the NHS "Is my child too ill for school?" guidance.

We hope you find this useful. If you are still unsure whether or not your child is well enough for school, please feel free to speak with the school office on the telephone number below.

Yours sincerely
