

6th December 2023

Dear Parent/Carer,

As the year 2023 comes to an end it is always a great time for reflecting, but more importantly, celebrating. We have so much to celebrate within the Treetops Learning Community and are so proud of everyone involved with the Trust.

One of our biggest successes is now being at full capacity within the Treetops Free School.

We have gone through a period of rapid expansion to be able to accept more young people from our local community and beyond. This has been a long journey, and we are proud of everyone within and beyond the Treetops Learning Community to be able to expand our provision to more children and families.

We have always said, we will accept only the best for our children and accept only their best in return.

To ensure we continue to meet the high standards we have set ourselves, we have agreed to an additional Trust Inset Day on **Monday 26th February**. The Trust Day will be a time for the Treetops Learning Community to focus on the health and wellbeing of the staff and to ensure we all understand our core values and who the most important people are - the children we are lucky enough to work with!

Thank you for all your support throughout the year

We hope you have a restful Christmas break and a prosperous 2024 and look forward to seeing you all again on Thursday 4th January.

Yours sincerely

Paul Smith
