

5th November 2024

Dear Parent/ Carer

This term, Zog Class have been learning about space across all subjects.

To enhance their learning, our class will be visiting Southend Central Museum and Planetarium on **Friday 29th November**. The students will listen to a talk about the stars and space and enjoy a multi-sensory experience tailored to our learners needs.

All pupils will need a packed lunch and wear their school uniform, a waterproof jacket and suitable footwear. The children will be back at school for the normal 3pm home time arrangements.

We are asking for a £9.50 donation towards the trip which covers the entrance fee and transport costs. This is payable in the Payments section of your School Gateway app account where you will also be required to give consent for your child to attend the trip.

The deadline for the payment is Friday 22nd November. As with all of our school visits, if we do not receive sufficient parental support, this trip may not go ahead.

If you have any questions regarding this visit, please ask via your home link book.

Yours sincerely

Mrs C O'Connor
