Colourscape

At this immersive sensory experience, you will hear music played on unusual instruments while wandering through **extraordinary views** of radiant colour, while discovering musicians and dancers.

There will also be **free activities** to enjoy outside, before and after your booked slot including walk-about acts, family-friendly workshops and interactive story-telling.

We are delighted to be bringing this back to Thurrock in 2024, working alongside **Eye Music Trust** and **Continental Drifts**.

Colourscape is wheelchair accessible and suitable for all ages. Children under 18 must be accompanied by an adult.

Spaces on the Colourscape experience must be pre-booked and are £2.50 for adults and £1 for concessions. Booking fees apply.

Music of the Spheres

Watch in wonder as **aerial performers** suspended inside giant inflated spheres move across water in a truly magical outdoor performance. Other exciting acts will be announced soon! Not seen anywhere else in the UK this year, don't miss Music of the Spheres at **Lakeside Shopping Centre** on **Saturday 10 August**.
